

~ VINTAGE NOTES 2017 ~

HARVEST 2017:

The 2017 vintage was a welcome throwback to more classic vintage years after the previous five warm years. The winter was unusually cold and snowy. That extended into a cool spring, delaying bud break by a few weeks into April and bloom following suit in late June. The summer came dry and warm, for the most part, though we saw plenty of grey skies due to smoke from fires in the north and east. Fortunately, the Willamette Valley was spared any effect from the smoke and may have

even benefited from some protection from sunburn in the hottest part of the summer. Set was very large, so judicious fruit thinning was required to maintain quality and control volume. Harvest began in late September and long mild days ensued. Cool

nights kept acids brilliant and bits of rain here and there ensured beautiful conditions for ripe, clean fruit with mature skin and seed tannin. Reminiscent of recent vintages--2010 and 2011--this vintage will be one to enjoy immediately and for the long term.
